Turin 11 July 2005

Dear member,

the annual Conference of the Italian Society of History of Mathematics (SISM) will take place **17th-19th November 2005 in Bologna**, in collaboration with the Italian Society of History of Sciences (SISS), the Italian Society of History of Physics and Astronomy (SISFA) and the National Group of History and Foundation of Chemistry (GNFSC), at the Academy of Sciences and the Department of Mathematics of the University of Bologna. The title of the Conference is

## **Creativity and Innovation - Mathematics and Sciences.**

Persons wishing to join the Conference should contact by Fax (011.6702878) or e-mail the President Prof. Silvia Roero [clarasilvia.roero@unito.it](mailto:clarasilvia.roero@unito.it).

The SISM members who wish to submit proposals are kindly requested to

- send the title by **20th July 2005** by email, fax or post to Silvia Roero, SISM, Dipartimento di Matematica, via C. Alberto 10, 10123 Torino, fax +39 011 6702878, [clarasilvia.roero@unito.it](mailto:clarasilvia.roero@unito.it);
- send the abstract by **10th September 2005** by email, fax or post to the members of the scientific committee:  
Prof. Aldo Brigaglia [brig@dipmat.math.unipa.it](mailto:brig@dipmat.math.unipa.it)  
Prof. Enrico Giusti [giusti@math.unifi.it](mailto:giusti@math.unifi.it)  
(as coordinator: Prof. Silvia Roero [clarasilvia.roero@unito.it](mailto:clarasilvia.roero@unito.it).)

The length of the abstract must be no less than 1 and no more than 3 pages (plus 1 page with Sources and Bibliography) in order to allow the valuation of the originality of the research.

Presentations (in Italian, English or French) will be limited to 30 minutes and will be followed by a 10 minute commentary and/or question period. By the end of September the Congress Program will be placed in the web site of the Society.

During the Congress the social dinner will take place on 18<sup>th</sup> November 2005. A list of Hotels is given in the web site of the Society and each participant must provide by himself/herself to book the room in Hotel or Students'House, indicating the participation to the SISM Congress.

No fees is required to participate to the Congress and a certificate of attendance can be request. The special events are optional and additional fee are required. The cost of the social dinner will be indicated later (in October).

The Society's objective is to stimulate research and studies in the field of history of mathematical sciences, supporting publications and meetings of members and in general the propagation of the culture in history of mathematics. The Society is characterised by the voluntary activity of its members, who provide their spontaneous contributions free of charge in various ways and engage themselves to pay the annual association fee of 30 Euros: Post Office Account N. 27353283 registered in the name of the Italian Society of History of Mathematics (SISM), via C. Alberto 10, I 10123 Turin (Italy). In the Society's Internet site: [www.dm.unito.it/sism/index.html](http://www.dm.unito.it/sism/index.html) you can find additional information about the Society, its articles of association, its present members with the lists of their publications in History of Mathematics and its current cultural activities.

Wishing you an enjoyable congress,  
Clara Silvia Roero
